## Introduction

Last year Lane Cove Council held the inaugural Lane Cove Captured Photography Competition.

This competition was so successful we have decided to make it an annual event.

The competition is open to all ages, residents and non-residents and will run until 14 July 2008.

Entries must be photographic works depicting subject matter located within the boundaries of the municipality (see competition website for map).

## Competition theme

The overall theme for the competition is **WATER**.

There are two sub-themes for entries:

- A. Water in Lane Cove's natural environment – a precious gift to appreciate, protect and enjoy.
- B. Water for Lane Cove's people and places – a vital resource for work, home and play.

Entrants are encouraged to submit up to five entries per theme.

## How to enter

You can enter on-line at [www.lanecove.nsw.gov.au/captured](http://www.lanecove.nsw.gov.au/captured)

**Digital Camera Users:** We recommend you use the highest megapixel/resolution setting on your camera for quality, JPEG files only will be accepted.
