"Fragments"

is a potpourri of images, enveloping various ideas and techniques that have developed from my thirst to look at the world in a different light.

There are traditional captures along with flights of fantasy that allow the viewer to journey along the fragmented path and enjoy the escape.

CREATIVITY IS MY FREEDOM

The freedom to express not impress
To impress is to become a slave to others opinions.

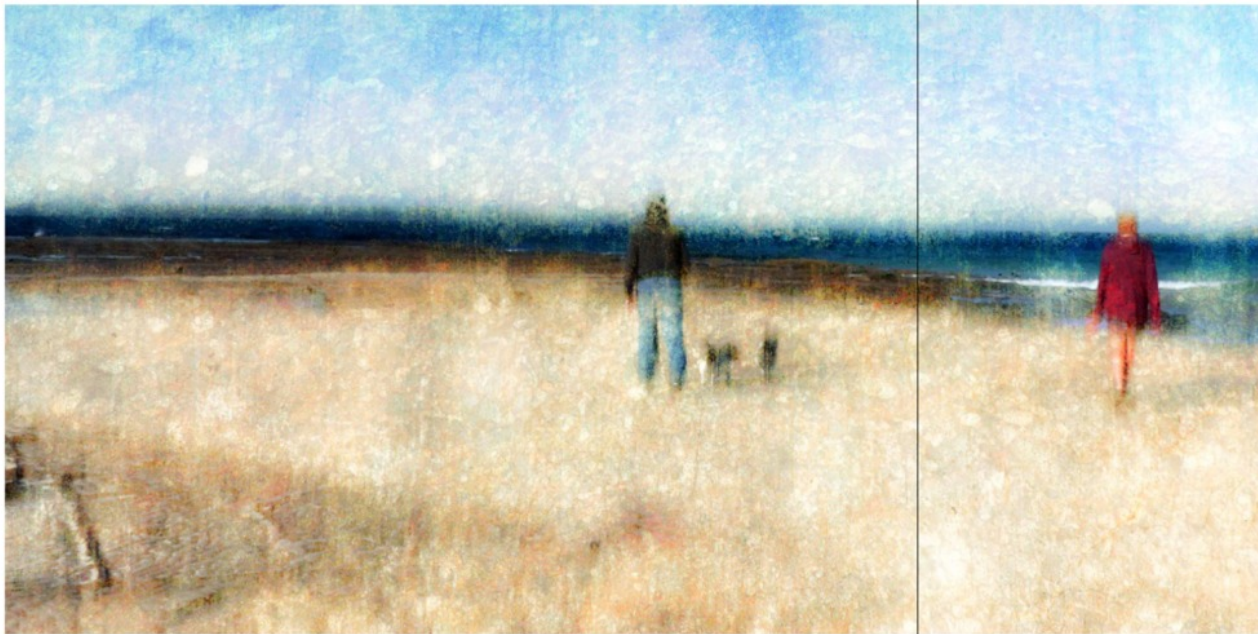

.....But I, being poor, have only my dreams;
I have spread my dreams under your feet;
Tread softly because you tread on my dreams.

W.B. Yeats

*For an Impressionist to paint from
nature is not to paint the subject, but
to realize sensation.*

Paul Cezanne

....we know there
are forces impinging
on us that we will
never understand or
capture.

N.Momady

*old empty
chairs are not
empty in
reality,
memories
always sit
there*
